

## Software Developer Intern

As a Veson Nautical intern, you will help improve and develop current and new products. You will design, develop, code, test, document, and support the software that makes Veson Nautical stand out from the competition. You may be working on improving current products, maintaining internal systems or helping design and implement future planned products.

### About Veson Nautical

Veson Nautical, I U.S.-based maritime software developer, delivers technologically advanced, easy to use, highly graphical software solutions to maritime commerce organizations throughout the world. These proven solutions allow users to manage and share information efficiently across Chartering, Operations, Trading, and Accounting departments, streamlining workflow, cutting costs and optimizing profits.

With offices in Boston, Athens, Rotterdam and Singapore, Veson Nautical is a dynamic organization with a committed team of executives, product managers, software developers and customer service experts. Dedicated to ensuring the highest level of customer satisfaction, Veson Nautical brings decades of experience, technical knowledge, enthusiasm and commitment to clients around the world.

### Technology

Currently, Veson Nautical products are built primarily with C++, C#, XHTML, AJAX and CSS. Although it is not required to be an expert in these specific languages to start with, we expect you have in depth knowledge of some programming language, have excellent coding skills and the ability to master any technology, language, or development environment when needed.

### Requirements

- At least 2.5 months of availability
- Mastery of a computer programming language
- Ability to learn new languages quickly and effectively
- Desire to work in a fast-paced entrepreneurial setting
- Ability to readily adapt to changing systems, requirements and business needs
- Excellent grades
- Proactive, positive approach to work
- Legal right to work in the U.S.

### Veson Nautical offers

- Competitive compensation
- Free Monthly T pass
- Friendly, informal work environment
- Offices in central, fun neighborhood of Boston (Back Bay)

**To apply**, please email us at [hr@veson.com](mailto:hr@veson.com), attaching a current resume. In order to be considered, explain why you would be a good fit for this job.

Veson Nautical Corporation supports workplace diversity and does not discriminate against any employee or applicant for employment because of race, color, religion, gender, national origin or any other protected class.
